

Real Deal on Fentanyl

Longform Transcript

ON SCREEN SUPERS:

Fentanyl is killing us.

It took thousands of our friends last year

Why aren't we learning about it?

Fentanyl is a powerful opioid 50x stronger than heroin

It's being illegally mixed with drugs and made into fake pills

(Students chattering)

Student: What do we do? What do we do? What do we do? What do we do? What do we do?

(Students chattering)

Teacher: 30 seconds.

(Intense music)

ON SCREEN SUPER: We don't need to be lectured. We need real talk from the people who know.

(School bell rings)

ON SCREEN SUPER: Introducing: Substitute Dealers

Didi: I'm an ex-drug dealer and I'll be your sub today.

ON SCREEN SUPER: Lessons taught by ex-dealers about one lethal drug

Didi:

I did 18 and a half years in prison for selling drugs.

So, everyone put on your gloves. Please place it under the microscope.

Can you see anything different as a pill?

ON SCREEN SUPER: CHEMISTRY

Student: No. No.

ON SCREEN SUPER: You can't see, smell, or taste if a drug contains fentanyl.

Didi:

No, no?

Two milligrams of fentanyl can be lethal. Now, a lethal dose is in here. Who gets it? I won't know.

ON SCREEN SUPER: HEALTH

Kyle:

Fentanyl is being mixed into everything now.

I used to be a drug dealer.

There's only one thing that will save somebody's life. That is naloxone nasal spray.

ON SCREEN SUPER: ECONOMICS

James: I used to deal drugs when I was in school.

Fentanyl. It's cheap, it's potent, and it's profitable.

Student: Why would drug dealers put a lethal dose of fentanyl in drugs if they know it's so harmful?

James: Really, it's just all about the money.

(School bell ringing)

Student: I'll just tell 'em, "Be careful and only take what's prescribed to you." The last thing I wanna see is my friend on a t-shirt. You know what I mean?

Student: I just didn't realize that one pill could change your whole life.

Student 1: More kids should know.

Student 2: More kids should know.

ON SCREEN SUPER: It's time we know
